Importance: High

Dear Ms. Sreyrov,

As per my check with my internal document, please find my clarification as below, with revise payment schedule as per attachment.

Customer	Remarks
By Rothsopheavy	First Disbursement: No issue Final Disbursement: Need to follow bank
Chum Pisal	First Disbursement: There was miscommunication on number from over credit officer. Your calculation is correct. However, as the approved disbursement amount has been clearly stated in the LOO, we need to follow this, otherwise Loan Admin would not disburse loan. We would ensure that borrower must pay developer USD19,560 before we start disbursement. Final Disbursement: Need to follow bank
